STEP 5

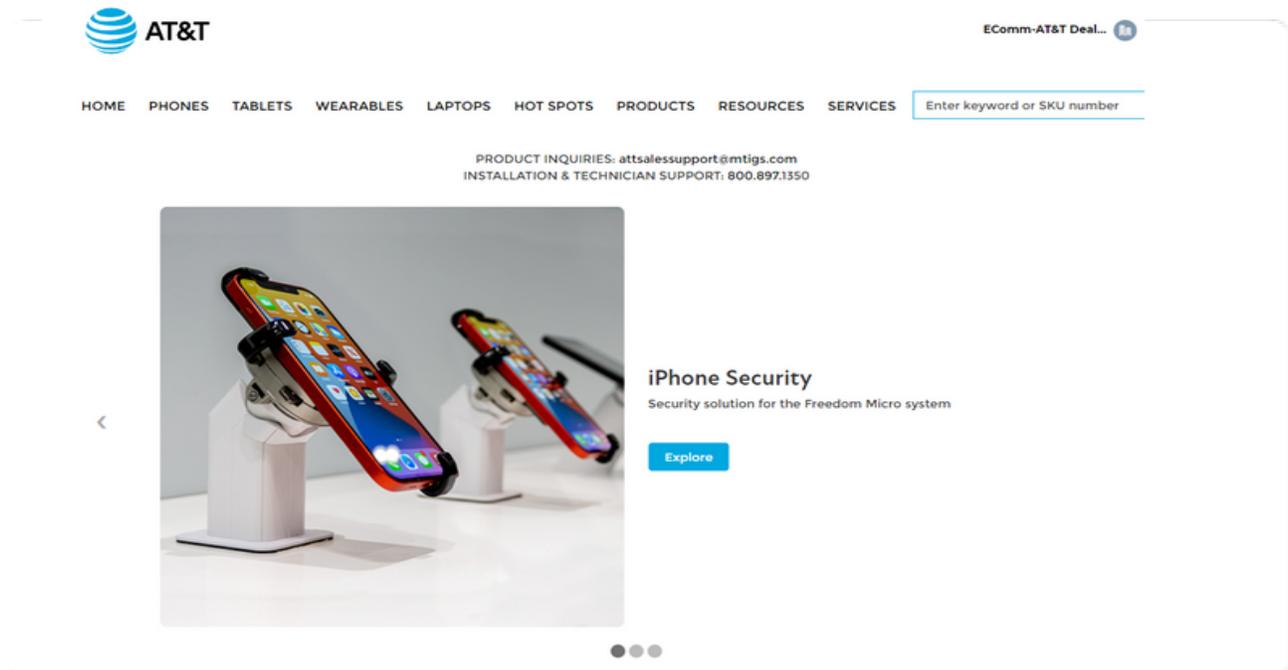

### Create a new, secure password

Select a password using the provided parameters and enter into the required fields. Once complete, click change password to continue.

The screenshot shows a password creation interface. At the top, three green checkmarks indicate the password must be 8 characters, contain 1 letter, and contain 1 number. Below this are two input fields: 'New Password' and 'Confirm New Password'. The 'New Password' field contains a masked password and a 'Good' status indicator. The 'Confirm New Password' field contains the same masked password and a 'Match' status indicator. A blue 'Change Password' button is positioned at the bottom of the form.

STEP 6

### Success! Welcome to the AT&T Portal.
