AT&T

Getting Started.

Welcome to the AT&T Corporate Stores Portal Getting Started Guide. This guide was created to provide guidance for account setup and usage.

Account Setup

STEP 1

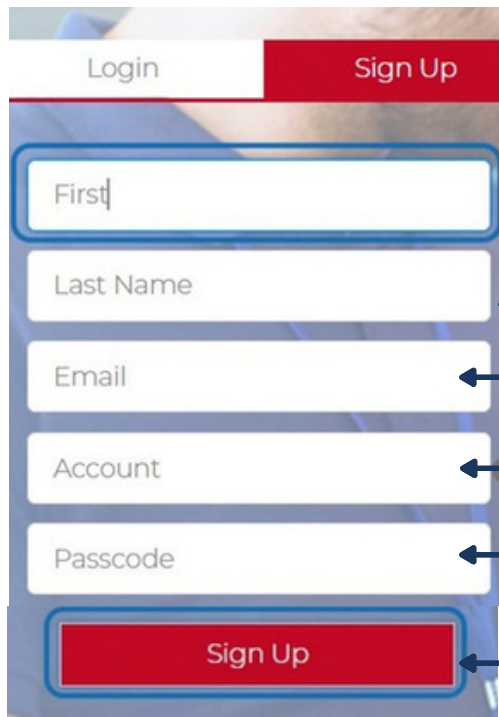

Visit <https://store.mtigs.com/s/login/>

STEP 2

Complete the fields

Note: A new account is required (even if you've previously registered)

Enter your first and last name

Enter your email address

Enter **109298** for the account #

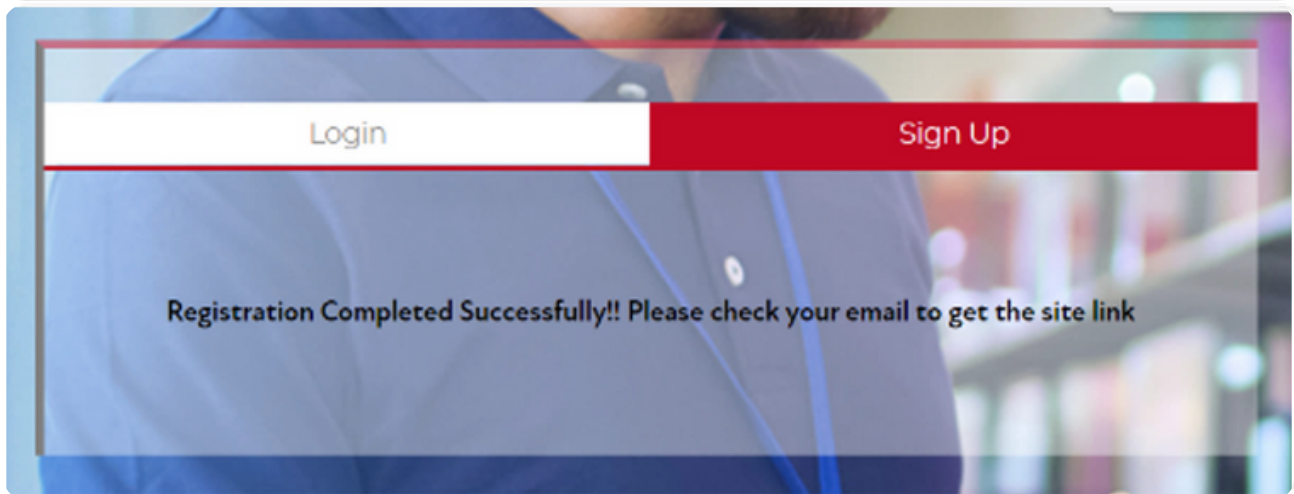

Use **dealer1** for the passcode

Click Sign Up after the fields are completed.

STEP 3

Successful Registration

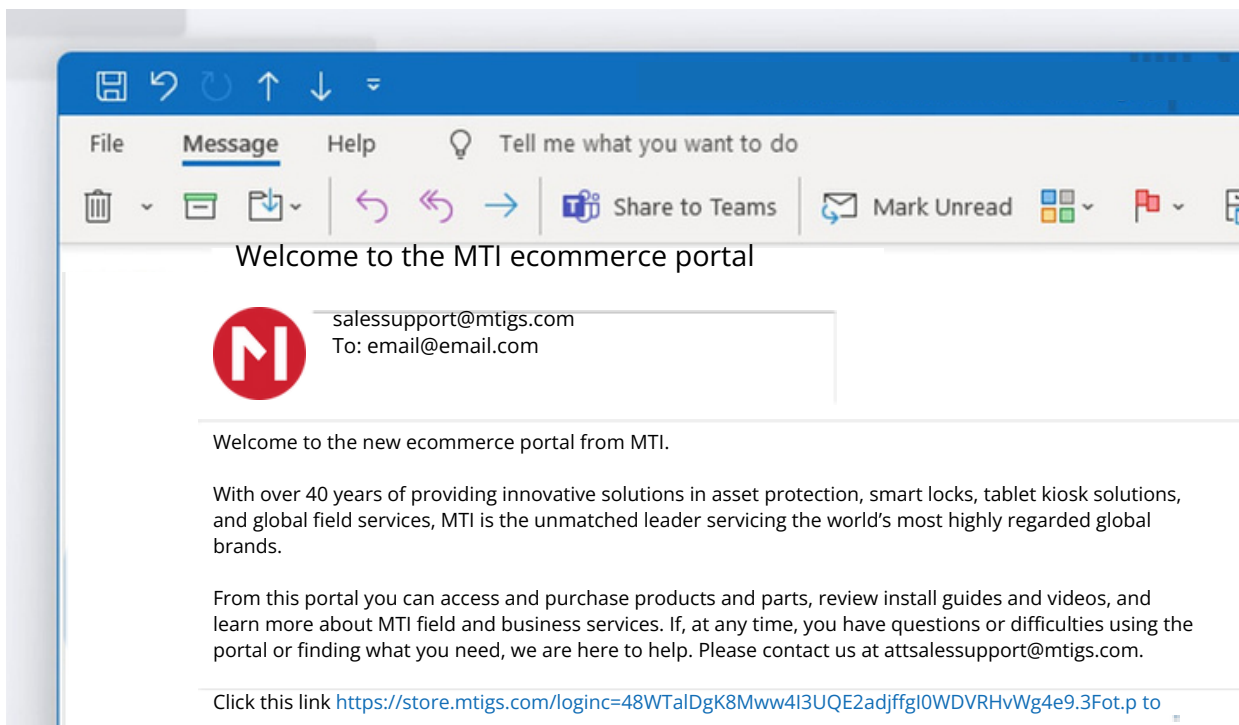

After registration, you will receive a prompt to check your email

STEP 4

Open Email

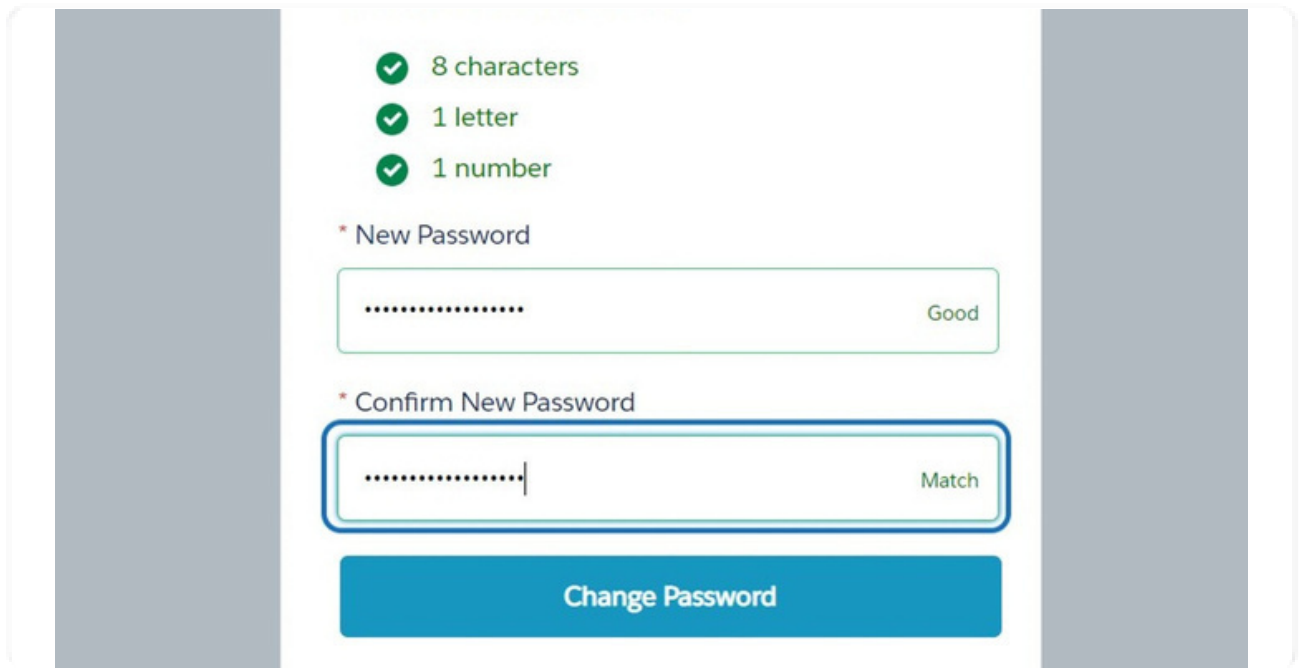

Open the Welcome email and click on the provided link

STEP 5

Create a new, secure password

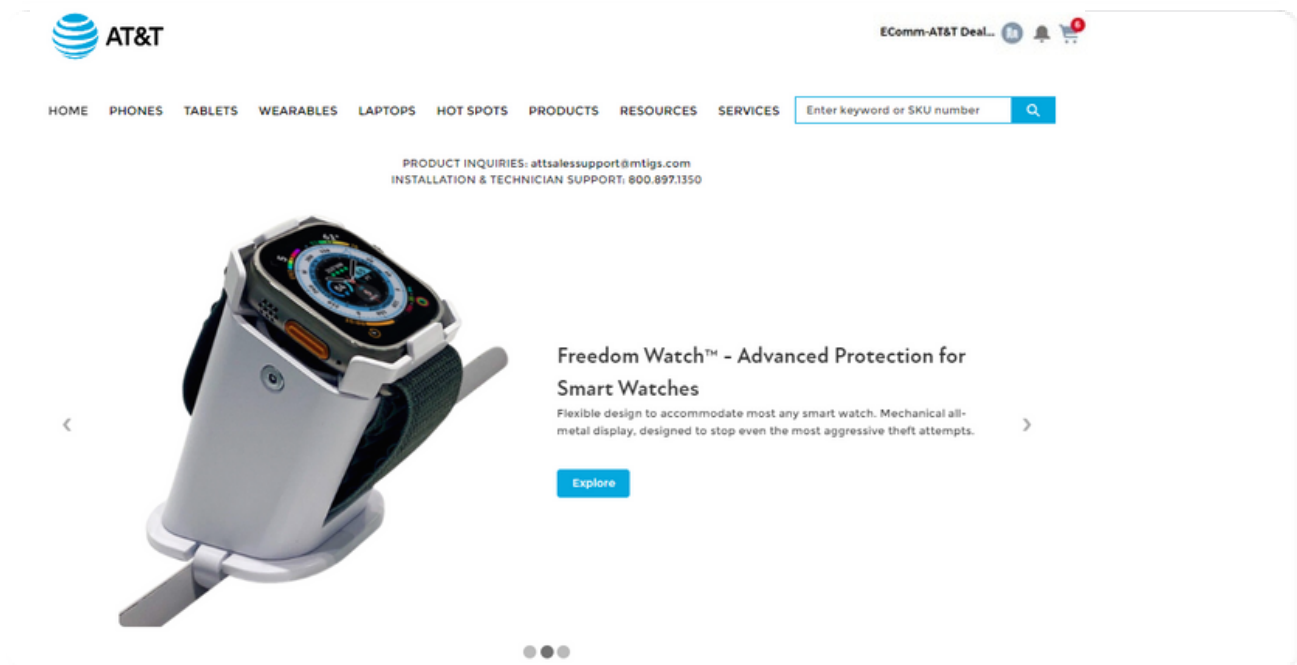

Select a password using the provided parameters and enter into the required fields. Once complete, click change password to continue.

The screenshot shows a password creation interface. At the top, three green checkmarks indicate that the password meets the following requirements: 8 characters, 1 letter, and 1 number. Below these checks are two input fields. The first field is labeled '* New Password' and contains a masked password with a 'Good' status indicator. The second field is labeled '* Confirm New Password' and contains the same masked password with a 'Match' status indicator. A blue button labeled 'Change Password' is positioned at the bottom of the form.

The screenshot shows the AT&T website's product page. At the top left is the AT&T logo. To the right, there's a user account link 'EComm-AT&T Deal...' with a profile icon, a notification bell, and a shopping cart icon. Below the logo is a navigation menu with links for HOME, PHONES, TABLETS, WEARABLES, LAPTOPS, HOT SPOTS, PRODUCTS, RESOURCES, and SERVICES. A search bar is located to the right of the menu, containing the text 'Enter keyword or SKU number' and a magnifying glass icon. Below the navigation is a filter section with two expandable categories: 'Document Type' and 'Product Family'. Under 'Document Type', there is a checkbox for 'Install Guide (27)'. Under 'Product Family', there are checkboxes for 'Freedom Micro (17)', 'XD Guardian (2)', 'Freedom Core II (3)', 'Freedom Micro II (3)', and 'User Access Systems (2)'. The main content area is a table with four columns: 'Name', 'Product Family', and 'Document Type'. The table lists several installation guides, such as '4-Point High Security Bracket Installation Guide' for 'Freedom Micro', 'ATTFreedomWatchInstallGuide' for 'XD Guardian', and 'CoreIFlexSensorInstallGuidea' for 'Freedom Core II'. The first row of the table is highlighted.
